Conveniently packaged in attractive clear 32 oz. trigger sprayer bottles for immediate use-no measuring or dilution required!

All FOCUS Ready-To-Use cleaners are made from readily biodegradable and renewable ingredients, contain no irritants, no butyls, no phthalates, nor any known carcinogens or endocrine disruptors.

The next Generation of "Environmentally Preferred" Green Cleaning Products

Introducing **FOCUS Solutions for a Safer Earth®**, the next generation of environmentally responsible Green cleaning and maintenance products. Formulated with environmentally preferred ingredients, these products represent the highest standards of quality and performance. **FOCUS** products offer safer chemical alternatives to reduce the environmental impact and reduce the exposure to chemicals that may trigger short term and long term health effects.

Some of our **FOCUS** products are certified by a 3rd party independent organization, Green Seal™. These standards encompass environmental impact, health effects as well as actual product performance. Under the Green Seal™ GS-37 Standard for industrial cleaners, we have certified: **MP 11 Multi-Purpose Cleaner**, **GC 55 Glass & Window Cleaner**, **TC 66 Tub & Tile Cleaner** and **Safe 2 Clean Peroxide Cleaner**, **NC 111 Neutral Cleaner & Deodorizer** and **CX 88 Carpet Encapsulation Detergent**, **ZF 33 Zinc-Free Seal & Finish** and **FS 22 Floor Stripper** are certified under the Green Seal™ GS-40 Standard for floor care products. **FHS 77 Foaming Liquid Hand Soap**, and **FHS 77 Foaming Liquid Hand Soap Fragrance Free** are certified under the Green Seal™ GS-41A Standard for handcleaners.

We currently have 9 products approved under the EPA's Safer Choice Program. These products meet the environmental standards that have been set by the EPA for environmentally preferable formulations. These products are **MP 11 Multi-Purpose Cleaner**, **GC 55 Glass & Window Cleaner**, **NC 111 Neutral Cleaner/Deodorizer**, **LHS 77 Liquid Hand Soap**, **LHS 77 Liquid Hand Soap Fragrance Free** and **Safe 2 Clean Peroxide Cleaner II**, **CX88 Carpet Encapsulation Detergent**, **FHS 77**, **FHS 77 Fragrance Free**.

All of our **FOCUS Solutions for a Safer Earth®** have been formulated to meet the current standards for green products. There are laws in place that require the use of Environmentally Preferred Products in Federal, State and Municipal Buildings, as well as schools in many States throughout this country. Our **FOCUS** products will also help building owners achieve LEED® certification points.

FOCUS Product Features

- Concentrated
- Biodegradable
- No Ammonia
- No Chlorine Bleach
- Non-Toxic to Humans and Aquatic Life
- Low V.O.C.
- Non-Combustible
- No Known Carcinogens
- No Phosphates
- No Nonylphenol Surfactants
- No 2-Butoxyethanol
- No Isopropanol
- No Petroleum Distillates
- Recyclable Packaging
- No Skin Sensitizers
- No Heavy Metals (Zinc)
- No Ozone Depleting Compounds
- No Fire Hazards
- No Chronic Health Hazards
- No Reactive Hazards
- No Dyes or Strong Fragrances
- No Formaldehyde

FOCUS Dispensing Systems

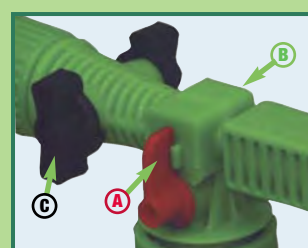

Three convenient systems for automatic dilution/metering of our cleaners into secondary containers (32 oz. spray bottle or bucket fill) in Ready To Use form. Convenient wall mount units in janitors closets, housekeeping/maintenance rooms, etc. or dispensing gun for portable filling as needed.

Safe 2 Clean Peroxide Cleaner

A highly concentrated, multi-purpose cleaner that combines the oxygen activated cleaning power of hydrogen peroxide, natural orange oil and wetting agents for use as a Glass Cleaner, Multi-Purpose Cleaner, Restroom Cleaner, Auto-Scrubber, Bonnet Cleaner, Extractor Cleaner, Carpet Spotter, and General Cleaner/Degreaser. **Safe 2 Clean Peroxide Cleaner** is certified under the GS-37 Green Seal™ Standard. It has a pleasant orange scent. Dilution ratios are 1:128 as a Glass Cleaner, Multi-Purpose Cleaner, Auto-Scrubber, Bonnet Cleaner, and Extraction Cleaner. At 1:16 as a Restroom Cleaner, General Cleaner/Degreaser, Pre-Spray, and Carpet Spotter.

Safe 2 Clean II Peroxide Cleaner Fragrance Free

An environmentally responsible concentrated formulation that combines the oxygen activated cleaning power of hydrogen peroxide, and wetting agents to yield a truly remarkable, biodegradable, multi-surface cleaner and deodorizer.

MP 11 Multi-Purpose Cleaner

A highly concentrated, Multi-Purpose Cleaner formulated to be a Heavy Duty Cleaner, Spray and Wipe Cleaner and a Neutral Floor Cleaner depending upon dilution. It contains no fragrance or dye. This product is certified under the GS-37 Green Seal™ Standard. **MP 11 Multi-Purpose Cleaner** is an excellent choice for cleaning floors, walls, chrome, stainless steel, table tops, vinyl, sealed wood and many other surfaces not harmed by water. Dilution ratios are 1:256 for a Neutral Floor Cleaner, 1:128 for the convenience of a Spray & Wipe and 1:32 for a Heavy Duty Cleaner/Degreaser.

GC 55 Glass & Window Cleaner

A highly concentrated, Glass, Window and Multi-Purpose Cleaner. This product is certified under the GS-37 Green Seal™ Standard. **GC 55 Glass & Window Cleaner** is non-ammoniated, alcohol-free, non-streaking and fast drying. It contains no fragrance or dye. **GC 55 Glass & Window Cleaner** has been formulated with biodegradable surfactants and other naturally derived ingredients. Dilution ratio is 1:64.

TC 66 Tub & Tile Cleaner

A highly concentrated, non-corrosive, non-fuming, Tub & Tile Cleaner. This product is certified under the GS-37 Green Seal™ Standard. It is formulated with a low pH organic salt capable of replacing a wide range of traditional acids. It contains no fragrance or dye. **TC 66 Tub & Tile Cleaner** is designed for cleaning tubs, tile, grout, walls, toilet bowls, urinals, shower stalls and other bathroom surfaces. It removes lime, scale and rust stains. Dilution ratios are 1:64 for Light Duty, 1:32 for Medium Duty and 1:16 for Heavy Duty Tub and Tile Cleaning.

BIO 101 Biozyme Cleaner/Deodorizer

BIO 101 Biozyme Cleaner/Deodorizer is formulated with environmentally preferred ingredients. It is a no-rinse pleasantly scented Daily Cleaner and Deodorizer that contains highly active bacteria. These specialized bacterial strains break down the grease, grime, uric salts and other organics that provide a natural breeding ground for unwanted insects and other pests. Excellent for use restrooms and compactor areas. Regular application ensures continuous deep cleaning and deodorization whenever a source of soil is present. Dilution ratios are 1:64 for Light Duty, 1:32 for Medium Duty, and 1:16 for Heavy Duty.

DG 99 Super Degreaser

DG 99 Super Degreaser is formulated with environmentally preferred ingredients. It is a concentrated, Heavy Duty Degreaser that can be easily diluted for multiple applications. Its proprietary blend of water-based solvents combined with state of the art bio-based chemistry ensures excellent performance on all types of industrial soil. **DG 99 Super Degreaser** is safe for the user, facility, and the environment. Dilution ratios are 1:32 for Light Duty, 1:16 for Medium Duty, and 1:10 for Heavy Duty.

ZF 33 Zinc-Free Seal & Finish

A high quality, low V.O.C., low odor, zinc free Floor Seal and Finish. This product is certified under the Green Seal™ GS-40 Standard. **ZF 33 Zinc-Free Seal & Finish** contains no heavy metals, formaldehyde, ammonia or nonylphenol surfactants. It exhibits a deep wet look gloss and it can be incorporated into any floor maintenance program. High levels of zinc have been found to be toxic to aquatic life.

Also available: **ZF 33 II ZINC-FREE SEAL & FINISH**.

FS 22 Floor Stripper

A concentrated, highly effective, fast acting, low odor, Floor Finish and Wax Remover. This product is certified under the Green Seal™ GS-40 Standard. It does not contain 2-butoxyethanol, ammonia, nonylphenol surfactants, dye or fragrance. **FS 22 Floor Stripper** is formulated with the most environmentally responsible ingredients available, but still strong enough to remove seal and finish with or without the use of a floor machine. This product can be used to remove **ZF 33 Floor Finish** or any other conventional floor finish.

SBR 44 Spray Buff/Restorer Concentrate

SBR 44 Spray Buff/Restorer Concentrate is a zinc-free high molecular acrylic polymer formulation designed to clean and restore the "wet look" gloss to existing floor finish. Its excellent polishing and restoring ability removes surface marks, leaving floors conditioned, dry and spotless further prolonging the life of the finish. This highly concentrated, economical product can be diluted for application as both a Spray Buff and High Speed Restorer. Dilution ratios are 1:8 for Spray Buff and 1:4 for High Speed Restorer.

NC 111 Neutral Cleaner/Deodorizer

NC 111 Neutral Cleaner/Deodorizer is formulated with environmentally preferred ingredients. This product is certified under the GS-37 Green Seal™ Standard. It is a highly concentrated, pleasantly scented pH Neutral Cleaner and Deodorizer. Perfectly suited for floors, **NC 111's** no rinse formula will not dull or harm the existing floor finish. This product can also be used on any surface not harmed by water. Dilution ratios are 1:64 for Light Duty, 1:32 for Medium Duty, and 1:16 for Heavy Duty.

LHS 77 Liquid Hand Soap

A gentle, viscous, lotionized hand soap scented with a light green apple fragrance. It is made from environmentally preferred ingredients. **LHS 77 Liquid Hand Soap** produces a rich creamy lather which leaves hands clean and soft without irritation. Both **LHS 77** and **LHS 77 Fragrance Free** Hand Soaps are certified under the GS-41A Green Seal™ Standard.

CX 88 Carpet Encapsulation Detergent

CX 88 is a concentrated Carpet Extraction Cleaner, Pre-Spray and Traffic Lane Cleaner. This product meets the GS-37 Green Seal™ Standard. It is formulated with environmentally preferred ingredients that incorporates proprietary encapsulation technology for superior maintenance of all types of stain resistant and untreated carpeting. The encapsulation chemistry surrounds each soil particle and crystallizes so it can't attract other soil. The encapsulated particles release from the fiber and are easily extracted with normal vacuuming. And since there's no dirt attracting residue left behind, the carpet stays clean longer. Dilution ratios are 1:128 for Extraction Cleaner, 1:16 for Carpet Pre-Spray, and 1:16 for Traffic Lane/Bonnet Cleaner.

LD 121 Laundry Detergent

A multi-purpose, versatile, concentrated laundry detergent formulated with environmentally responsible biodegradable ingredients. **LD 121 Laundry Detergent** has a pleasant, clean, just-washed fragrance. Both **LD 121** and **LD 121 Laundry Detergent Fragrance Free** can be used in all types of laundering equipment. Both are also safe for all washable fabrics too. Dilution ratios are as follows; Top Loading Machines use 4 ounces per 10 pounds of laundry, Larger Machines and Wringers use 6 ounces per 10 pounds of laundry, and Front Loading Machines use 2 ounces per 10 pounds of laundry.

DW 131 Dishwashing Liquid

DW 131 Dishwashing Liquid is a very high sudsing, biodegradable hand dishwashing detergent formulated with environmentally responsible ingredients. Highly concentrated, just a small amount provides maximum cleaning action even in cold, greasy water. **DW 131** is benzene free, alcohol free and is non-irritating to the skin. A pleasant Meyer Lemon fragrance lingers long after dishwashing is completed.

FHS 77 Foaming Liquid Hand Soap

A gentle, viscous, lotionized hand soap scented with a light green apple fragrance. It is made from environmentally preferred ingredients. **FHS 77 Foaming Liquid Hand Soap** and **FHS 77 Fragrance Free** produce a rich creamy lather which leaves hands clean and soft without irritation.
